MESSAGE

Dear Examiner Pak,

As discussed, here is a proposed attachment for an Examiner's Amendment. If acceptable, please attach to the Examiner's Amendment. As you recommended, the limitations of Claim 2 have been placed into Claim 1. The language of Claims 5 and 49 has been revised for clarity. New Claims 50 and 51 have been added to further limit Claim 5. Support for peptide fragments is found in the specification on page 11, lines 11-16, page 17, line 9-et seq. Please contact me at the telephone number above if you have any questions.

Sincerely,

Thomas Cunningham

A handwritten signature in black ink, appearing to read 'Thomas Cunningham'.
